Heart Shaped Carrots

		Equipment Needed: Carrots, Peeler, Knife
		Step 1: Take your peeler & peel your carrots.
		Step 2: Cut your carrot in half.
		Step 3: Take your knife & cut a V-shaped notch along the length of the carrot. Remove the V-shaped notch. Your carrot should look like this.

		Step 4: Take your peeler & peel off the top of where you cut into the carrot. The purpose of doing this is to round off the edges as this will be the top of your heart.
		Step 5: Now, slice your carrot into whatever size you like.
		Step 5: Look at those cute heart shaped carrots!
		Now, use your carrots in whatever dish you like & enjoy!
