Levels (loose definitions!) see CPC website for self-assessment guidelines
Beginner: Just started to play.
Novice: has play experience and is learning quickly
Intermediate: up to about 2.5 skill level
Advanced: above 3.0 skill level
Expert: above 4.5 skill level

Open Play: All skill levels play on a rotating partner basis
Segregated Play: Play session is targeted to a specific gender and/or skill level. May be managed using prior SignUp and limiting to a maximum number of players
Ladder Play: Groups of 4 or 5 players play round-robin and earn the points they score at game end. Earned points are accumulated to give players a %age rating so that they can be grouped for play with players of similar rating
